## THE BLACK HAND OF PRESIDENT MENDOZA

*President Salvador Mendoza*

Last week's violent uprising in the capital of San Esperito heralded the start of a coup as the Parliament building was stormed by military forces. Chaos spread to the streets as gunfire rang in the air and the sun set over a weekend of violence.

The leader of the uprising and new order is General Salvador Mendoza. In a press dispatch, the new Government claimed to have "freed the nation from a pack of vultures feeding off the corpse of the national constitution."

Since becoming president, General Mendoza has brought in "foreign security specialists" to subdue uprisings in the unstable regions surrounding the capital. Asked whether the security specialists are mercenaries, the President scoffed, "I will not stand by idly as parasitic motherless dogs pillage my country."

A U.S. government dossier disclosing secret agency information was discovered earlier this week. Security services have gone into overdrive to establish its source.

U.S. chiefs confirmed that a Top Secret U.S. Government Agency operative was arrested on suspicion of contravening the Official Secrets Act and released pending further inquiries. More arrests are expected, while the largest spy hunt in the U.S. for some years continues.

### EL PRESIDENTE: U.S. GUILTY OF "BLATANT INTERFERENCE"

*Pro-democracy rebels attack a munitions dump near San Esperito.*

President Mendoza has accused the U.S. of supporting rebel causes. Mendoza stood firm against mounting pressure from the United States to permit United Nations checks of his anti-drugs program. Mendoza accused Americans of "blatant interference" after the U.S. hinted at its support for the rebels. The U.S. dismissed Mendoza's claims as "paranoid propaganda."

### VIOLENCE IN PROVINCIA MIRASOLES

*Route into the village of Media Luna in Provincia Mirasoles.*

Violence erupted in the village of Media Luna as clashes between Guerrilla forces, The People's Revolutionary Army of San Esperito (P.R.A.S.E.) and Mendoza's uniformed militia left five dead.

"Mendoza is a rabid dog that should be put to death," said revolutionary leader José Caramicas. "We will not rest until our people are free."

Caramicas continued, "You too can start an insurgency in Government-controlled settlements. First, start an attack on the defending forces (police/army). Find a Guerrilla (green ! icon) on the minimap. Press the ⊗ button when you see the action icon (page 9). Kill the Government forces to liberate the area and earn rewards and prestige points."

Following angry demonstrations elsewhere in the province, Government soldiers have occupied the area to deal forcibly with any further uprisings.

President Mendoza released the following statement: "We condemn the shameful act of attacking our officers in Media Luna and know it to be the work of rebel looters. This behavior will not be tolerated."

■ **PRESTIGE POINTS**
Earn prestige points by doing work (liberations, side and story missions) for Guerrillas and the Rioja cartel. Gain rank by earning prestige points, and get rewards when you gain rank. See related story on page 10.

■ **SAFEHOUSES**
Guerrilla missions unlock more safehouses when you gain rank. Upgrades enhance equipment provided in safehouses.

■ **SAVE GAME**
Save your game from any save point (located in safehouses). Press the ⊗ button to display the save screen. Choose a save slot and press the ⊗ button to save.

### CARAMICAS JAILED

José Caramicas, leader of The Peoples Revolutionary Army, was sentenced yesterday to El Grande Fort, the Government's penal institution. President Mendoza defended the verdict, saying: "The sentencing of this terrorist will end rebel violence!"

Caramicas' sister, Esperanza, called for a fair hearing for her brother, who she believes is the victim of political conspiracy. She has appealed to the United States to intervene. U.S. intelligence agencies are rumored to be monitoring the situation.

Caramicas, a popular hero in many provinces, will be escorted to the Fort under armed guard. Esperanza believes her brother's life will be in danger once he arrives at the prison.

## MILITARY TRAINING A MUST, SAYS TOP BRASS

Take a tip from the General, and learn the game controls by getting your military training in early.

General José Durango, a top military official, has recently turned his considerable leadership skills to getting youths off the street and into military training.

"I intend to provide solutions to the fundamental problems young people face today," he said. "The most fundamental problem is lack of control. I believe the fastest way young people can learn the controls is through military training."

# PRESTIGE POINTS

### REBELS OFFER REWARDS

Rebel bosses are reported to be offering enormous rewards (prestige points) to anyone completing side missions. These bosses are extremely dangerous and can be identified by green ! icons. The rebels are technically savvy and employ complex communications systems for countersurveillance.

Police are appealing to the populace to notify them immediately if they are approached by Rebel bosses. In a statement today, President Mendoza vows: "Anyone withholding information on these known felons and taking their rewards will be shot!"

### RIOJA CARTEL FEELS DEA HEAT

In a related story, Rioja cartel members, identified by yellow ! icons, are reported to be offering huge amounts of prestige points to civilians for help with missions. U.S. government officials have declared war on Rioja drug lords, as Esperitian cocaine floods U.S. borders.

DEA mouthpiece John Mckinley, speaking at a press conference in New York, pleaded: "If you meet any cartel members, please contact the DEA immediately. All calls are confidential."

### RIOJA RACING

Race fast cars, boats and planes on the ultimate day out! Join the Rioja Racing Team and earn big prestige points when you win!

- Races are timed through checkpoints, with different start points (checkerboard icon) located across the island.
- Racers must pass through all checkpoints in correct order to complete a race.

### VEHICLE HIJACKINGS

Numerous vehicles have been stolen over the last few months, indicating a sharp rise in hijacking crimes. Eye witnesses state that thieves step up to the vehicles, press the △ button and then get in and drive off.

A police spokesperson reports, "It's difficult for vehicle owners to protect themselves, as the thieves often carry weapons." Extra police have been put on patrol to combat these crimes.
